Objective

Motivated Data Science graduate with a strong foundation in statistics, machine learning, and data analysis, seeking an entry-level Data Scientist role at TechNova Analytics. Passionate about translating business questions into actionable insights by collecting, cleaning, analyzing large datasets, building predictive models, and communicating results through visualizations and reports.

Education

University of California, Berkeley — Berkeley, CA
B.S. in Data Science
Graduated: May 2023

Technical Skills

- **Programming:** Proficient in Python and SQL
- **Libraries & Tools:** Extensive experience with Pandas, NumPy, Scikit-Learn, and Seaborn for data manipulation, analysis, and visualization; Familiar with TensorFlow and PyTorch for deep learning applications.
- **Data Analysis:** Strong foundation in statistical analysis and modeling techniques
- **Data Visualization:** Proficient in Matplotlib and Tableau for creating effective and engaging data visualizations

Experience

Entry-Level Data Scientist Intern
DataWorks Inc., San Francisco, CA
Jun 2022 – Aug 2022

- Collected, cleaned, and analyzed large datasets to identify trends and patterns using Python and SQL.
- Built predictive models with Scikit-Learn, improving accuracy by 20%.
- Communicated insights and results to stakeholders through visualizations and reports using Tableau and Matplotlib.

Research Assistant
UC Berkeley Department of Statistics
Sep 2021 – May 2022

- Assisted in development of regression models to study environmental data trends using Python.
- Automated weekly data collection scripts with BeautifulSoup and Git.

Projects

COVID-19 Data Tracker
Developed a web app that visualized COVID-19 case trends across countries using Python, Flask, Dash, and Plotly; Included forecasting using time series models.

Student Performance Predictor

Created a machine learning model to predict student performance based on study habits, demographics, and attendance using Pandas, Scikit-Learn, and Matplotlib.

Certifications

- IBM Data Science Professional Certificate
 - Google Analytics Academy – Data Analysis Basics
 - Microsoft Certified: Azure Fundamentals
 - DataCamp: Machine Learning Scientist with Python
-

Activities & Awards

- Member, Data Science Society at UC Berkeley
- Volunteer, Girls Who Code mentor program
- Recipient of the Chancellor’s Award for Academic Achievement

Adapted resume to emphasize relevant skills and use keywords from the job description.
